

We Can Help:

Recovery centers are places to find information about recovery and substance abuse services in a drug and alcohol free environment, and find people who have direct personal experience with the recovery process.

Recovery is the process of healing the physical, emotional, and spiritual harm caused by slipping into dependence on alcohol and drugs.

We help people connect with a recovery community that meets their needs. Recovery thrives in community.

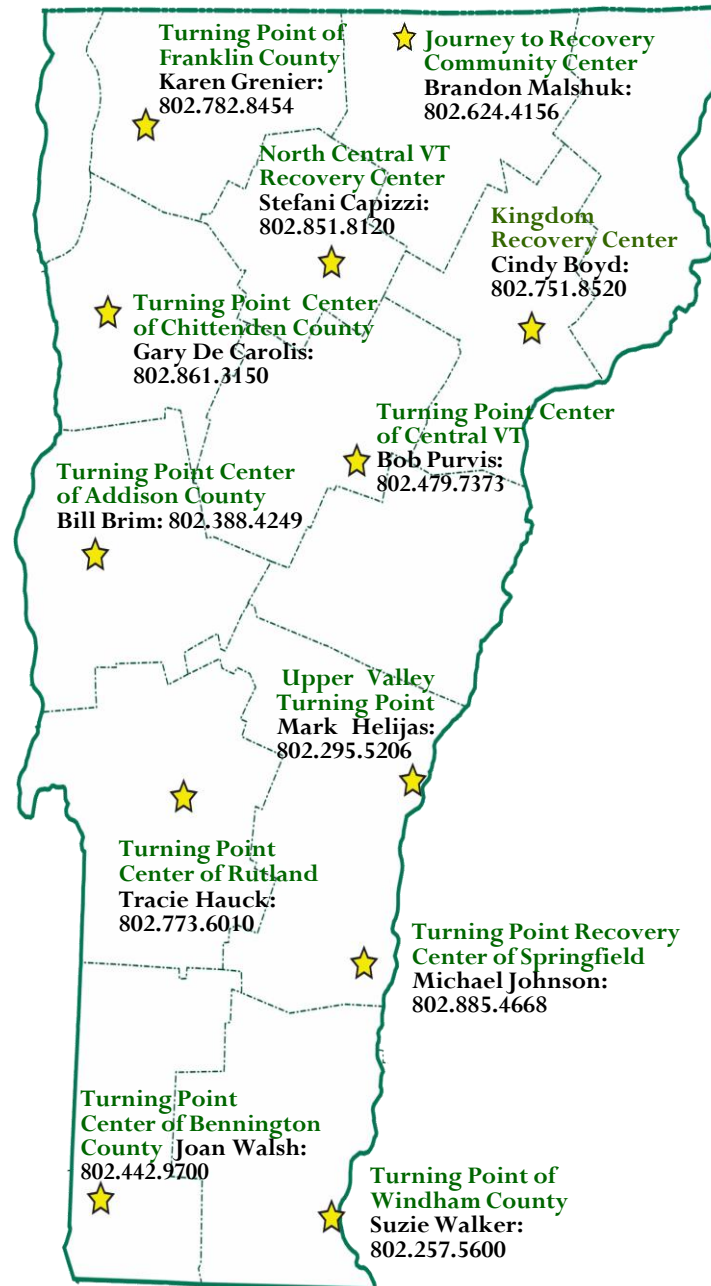

People with experience in recovery help visitors establish connections, often leading to employment, stable housing, and other needed services.

We understand the harm that active addiction causes people and those around them. We provide support for everyone whose lives have been affected by addiction - people in active addiction, families, friends, neighbors, employers and coworkers.

Worried about someone? Vermont's recovery centers can help.

Recovery centers are committed to providing a safe and welcoming environment for people on all paths to recovery.

Visit a Recovery Center Near You

Helping people who have experienced problems as a result of drugs and alcohol to find, maintain, and enhance their recovery through peer support, sober recreation, and educational opportunities.

Recovery Centers Provide:

- Help for people making the positive life changes we call recovery
- Safe places with peer recovery support
- Recovery Coaching
- Space for 12 step meetings (Alcoholics Anonymous, Narcotics Anonymous, Al-Anon, Nar-Anon, Families Anonymous, etc.)
- Other recovery meetings (All Recovery Meeting, LifeRing, Co-occurring Recovery Groups, etc.)
- Educational workshops (Making Recovery Easier, Rocking Horse, just to name a few)
- Pathways to Recovery providing peer support for people in medication assisted treatment
- Support for young adults (Making Change, GYST - Get Your Stuff Together, and the list keeps growing)
- Family support (Wits End, FAR-Families Addictions and Recovery, and more developing)
- Volunteer opportunities and letters of reference for future employment
- Sober recreational opportunities and events
